Gen. Horvath, self-styled head of
the new all-Russian government, de-
clares that not less than 150,000 al-
lied troops will be required to pre-
vent Germany from obtaining con-
trol of the food resources of Siberia
and Mongolia.

French airmen have been very ac-
tive in harassing the retiring ene-
my says an official statement on a
erial activity. Enemy concentration
points around Lassigny were bom-
barded heavily, causing heavy Ger-
man losses. French airplanes in the
number of 120 dropped 233 tons of
bombs in the battle area Sunday.

General von Mudra and General
Librecht, who commanded German
armies in the offensive which began
on July 15, have been placed on the
retired list, according to Berne news-
papers which have been received.
They have been retired for allowing
themselves to be defeated. The
Crown Prince, in the same boat, still
holds on.

Dr. John D. Clardy, who passed
away at his home in Hopkinsville
Sunday, represented the Second Dis-
trict in Congress for two terms in
the early 90's. He made a good con-
gressman and enjoyed the highest es-
teem of his constituents. After his
second term he voluntarily retired to
private life. Dr. Clardy was a
successful farmer as well as a good
physician. His interest in politics
was at a time when populism was
running rife through the country,
but it never tainted this sterling, con-
servative old Democrat. His partici-
pation in political affairs in those
days was helpful in keeping many
good farmers in this state from go-
ing wild upon issues that for a brief
period appealed to many of the un-
thinking ones.—Owensboro Messen-

**AMERICANS ASKED TO
— LIMIT USE OF SUGAR**

**Must Use No More Than Two Pounds
Per Person a Month if the Present
Meagre Allied Sugar Ration
Is Maintained.**

**Stocks Will Be Short Until Beginning of New
Year—Ration May Be Enlarged Then.**

Two pounds of sugar a month—half
a pound a week—that is the sugar ra-
tion the U. S. Food Administration
has asked every American to observe
until January 1, 1919, in order to make
sure there shall be enough for our
Army and Navy, for the Allied armies
and for the civilians of those nations.

By New Year's the world sugar sit-
uation will be relieved somewhat by
the new crop. Cuban sugar of this
year's crop will be arriving in this
country.

Every available sugar source will be
drawn on by the Food Administration
during the next winter months to main-
tain sufficient stocks here to keep up
our national sugar supply. During Oc-
tober the first American beet sugar
will arrive in the markets. By the
middle of November some of our Lou-
isiana cane crop will be available. All
of this sugar and more may be needed
to keep this nation supplied on a re-
duced ration and to safeguard the Al-
lied sugar ration from still further

reduction. In Europe the present ra-
tion is already reduced to a minimum.

Our Situation.

The situation which the United
States faces in its efforts to maintain
a fair distribution of sugar to the Al-
lied world is as follows:

Sugar supplies throughout the coun-
try, in homes, stores, factories and
bakeries are at a low ebb. We must
make increased sugar shipments to the
Allies.

Production of American beet and
Louisiana cane crops have been disap-
pointing.

Porto Rico crops have been cur-
tailed.

Immense sugar stocks in Java can-
not be reached on account of the ship-
ping shortage; ships are needed for
troop movements and munitions.

Army and Navy sugar requirements
have increased as well as those from
the Allies.

Most industries using sugar have had
their allotment reduced by one-half;
some will receive no sugar.

Households should make every ef-
fort to preserve the fruit crop without
sugar, or with small amounts of sugar.
Later, when the sugar supply is larger,
the canned fruit may be sweetened
as it is used.

MIDWAY AT STATE FAIR

The Midway of a fair is where the
people play and the Midway of the
1918 Kentucky State Fair, to be held
in Louisville the week of September
14, gives promise of being one of the
most thoroughly delightful, amusing
and diversified "Pathways of Pleasure"
that State Fair crowds have ever at-
tended. Guarantee of unalloyed enjoy-
ment is offered in the fact that the
street will be manned on either side
by the great array of feature shows
courting under the Johnny J. Jones ban-
ner. Every one posted in regard to
Midway attractions is aware of the
fact that there is no Midway organiza-
tion in the country which can boast
a better, cleaner or brighter line-up of
show-medians than the Johnny J. Jones
array, and the "Pike" of 1918 is, there-
fore, certain to be a much-sought sec-
tion of the Fair. Here the shows will
present fronts of dazzling gold and
myriad colors, topped by flags and ban-
ners and pennants and gay with the
gulls and quills of the "barkers" and
so many bands which distinguish the
Jones' array. From the great wild
animal exhibit which heads the list of
twenty-two Jones shows to the village
of Littleputians, who demonstrate their
cleverness by remarkable perfor-
mances, the Jones shows are supreme in
class and interest. It is the Jones pol-
icy to include everything any other
Midway line-up can boast and to keep
well in the van of the balance of the
parade, and by this policy it is
claimed that visitors to the Midway
this year will be regaled with novelties
and features never witnessed in a Mid-
way before.

WILLIS PROBABLY

Columbus, Ohio, Aug. 13.—Com-
plete unofficial returns from 402 pre-
cincts in 12 scattered counties of the

cated that former Gov. Frank B.
Willis of Delaware received the re-
publican nomination for governor

10,000 ENGAGE IN CLUB WORK

Boys and girls in Kentucky to the
number of 10,000 are engaged in Club
Work, which includes pig, corn, calf,
and poultry raising, added to which is
canning for the girls. Exhibits of the
war time industry of these youngsters
who, in keeping with the million or
more children throughout the country
devoting themselves to service, will
be made at the Kentucky State Fair,
to be held in Louisville the week of
September 14. Over \$1,000 has been
offered in prizes and a number of special
premiums listed, among the most
interesting of which is Governor Stan-
ley's proffer of three pure-bred Tam-
worth pigs to the winner of the pig
club work for 1918. They will be on
exhibition at the Fair in an ornately
decorated booth and will be hotly con-
tested for.

The total aggregate of premium
money listed in the catalogue for the
1918 Kentucky State Fair to be held
in Louisville the week of September
14, is \$75,000. It has been decid-
ed by the Kentucky State Fair man-
agement to pay all prize moneys of
\$5 and less in Thrift Stamps and War
Savings Stamps, and those receiving
premiums in amounts over \$5 will re-
ceive 25% of the sums in War Sav-
ings Stamps and Thrift Stamps. By
reason of this plan it is estimated that
approximately \$35,000 of the premium
awards for the Kentucky State Fair
of 1918 will be paid in War Savings
and Thrift Stamps, and the war budget
of the Government be increased ac-
cordingly.

John H. Arnold of Columbus, at to-
day's state primary election, provid-
ing the present ratio is maintained.
Gov. Cox and the remainder of the
democratic state ticket had no oppo-
sition.
Today's vote was one of the light-
est primary votes ever recorded in
the state, running from 10 to 50
per cent of the normal vote in many
precincts.
